### About Opendome 500

A breathtaking space of 5543 sq ft enclosed under a single geodesic dome. The **Opendome 500** is an ideal solution for the most ambitious and exclusive projects. Thanks to its size, a trip inside this event dome is like a journey to another world.

Event domes this size are also suited best for a launch of a brand new car or an exclusive fashion show as well as for transforming it into a concert venue. With an **42.6-ft high ceiling**, this dome tent definitely stands out from the crowd.

### About Premium Floor System

Stable base for every event. **Premium Floor** is based on a steel frame that maps the shape of the perimeter of the tent and is fixed with the structure of the dome. The floor itself serves as ballast and reduces to minimum the amount of additional weight required to keep the structure down.
