### About Opendome 110

The biggest available structure that does not require any have equipment for its assembly. Thanks to this, the **O110 event dome** can be set up in any location, no matter how remote or inconveniently, through the use of our very own telescopic lift.

Over **1216 sq ft of flooring area** make it the perfect choice for a winter restaurant on a mountain top, a summer bar on a beach, or a scenic overlook. We will deliver the **Opendome 110** wherever you need it and wherever you want to present your product - sky is the limit.

### About Premium Floor System

Stable base for every event. **Premium Floor** is based on a steel frame that maps the shape of the perimeter of the tent and is fixed with the structure of the dome. The floor itself serves as ballast and reduces to minimum the amount of additional weight required to keep the structure down.
